## **DETAILED ACTION**

### ***Remark***

1. Claims 2-3, 6-10, 12 have been cancelled, and pending claims 1, 4-5, 11, and 13-20 are for reconsideration.

### ***Allowable Subject Matter***

2. Claims 1, 4-5, 11, and 13-20 have been allowed.

### ***Reasons for Allowance***

3. The following is an examiner's statement of reasons for allowance:

The prior art of record issued to Son and others fails to teach or suggest a portable electronic device comprising a first activation of the user interface clears or ignores a user entry so that it is not acknowledged by the user interface, illuminates the user interface, and activates a timer, in which a lighting circuit illuminates the user interface for variable time periods depending on the ambient lighting signal as cited in claims 1 and 16. Son simply describes a device wherein the backlight is either turned-on or turned-off depending on the lighting conditions received through a photo sensor, and Son is silent with the feature that the user interface gets illuminated for variable time periods depending on the ambient lighting signal, as required by claims 1 and 16.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
